**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more competition, not more consolidation and less competition!

Less competition means price hikes that will increase the cost of internet and telephone services.

Broadband is critical to my home and my business as it is to hundreds of millions of Americans.

All of the above is true for protecting competitive telephone service.
